

Is Jesus a real Son and God a real Father?

The trinity doctrine teaches 3 gods that are co-equal and co-eternal which are a 3 in 1 god. Does anyone stop to think and realize this means God cannot really be a Father and Jesus cannot really be His Son.

If Jesus has always existed alongside the Father then He cannot be a Son, and if Jesus is not a Son, then God cannot be a Father. So it denies the Son of God which therefore denies the Father also. This denial of the Father and Son is what John called antichrist. 1 John 2:22-23. So those who teach the doctrine of the trinity make God and His Son and His Word one big lie.

How many times does the Bible have to state that God is the Father of Christ and that Christ is the Son of God before one will believe it? Is there any other doctrine that discards so much Scripture? Hundreds of Scriptures suddenly become obsolete. Why would anyone in their right mind think this is acceptable?

Trinitarians often claim that Jesus is only called the Son of God because of His birth in Bethlehem. But being born in human flesh, Christ became the "Son of man" at His incarnation, not the "Son of God" which He already was. Scripture reveals many times and in many ways that Jesus was God's Son "before" God sent Him into the world, not after. The following two verses for instance say that God sent His Son into the world. Hence He was already God's Son before He sent Him.

"because that God sent his only begotten Son into the world, that we might live through him." 1 John 4:9

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved." John 3:17

Scripture also states that Jesus was the Son of God before all things were created. Paul wrote in regards to Christ that, "He is the image of the invisible God, the firstborn over all creation." Colossians 1:15 NKJV

Over and over and over and over again we are told they are a Father and Son. And yet the Trinitarian camps on a few verses that can be abused and misunderstood in favour of discarding hundreds of unmistakable verses.

They have no trouble in destroying this beautiful Father and Son relationship in favour of a Satanic doctrine just as Satan planned. It is his counterfeit doctrine that he had put in place by the Catholic Church more than 200 years AFTER the Bible was written. It is Satan's creation to have Christians deny that Jesus is a literal Son and hence that God is a literal Father to steal our souls. The Bible says if you deny Jesus is the literal Son of God that you cannot enter the kingdom.

In the Bible we find that Christ is called the "Son of God" 48 times, "only begotten" 6 times, "firstborn" 4 times and "the firstbegotten" 1 time. Not once does the Bible even so much as hint that Jesus is only a Son in a metaphorical sense. The Bible means what it says and says what it means as does Ellen White.

And she stated, "God is the Father of Christ; Christ is the Son of God." — (E.G. White, 8T 268.3)

"The man Christ Jesus was not the Lord God Almighty," — (E.G. White, Ms140, Sept 27, 1903)

John 5:26 also tells us that the Father gave life to His Son.

"For as the Father has life in himself; so has he given to the Son to have life in himself." John 5:26

If Jesus had always existed alongside the Father as the Trinity doctrine claims, then God could not have given life to His Son as He would have always had life. But Scripture reveals this is impossible.

Is it really that hard to understand Satan's goal here where this pagan 3 in 1 god idea means God is NOT really a Father, and Jesus is NOT really a Son, and the "Spirit OF God" is not really His Spirit at all but something called "god the spirit?"

This is what the human mind cannot understand and they say it is a mystery and we must just accept it and not question it. We should all know what spirit tells us that lie.

And compared to what?

There is no mystery with the real truth that Scripture tells us over and over again.

God the Father really is a Father, and the Son of God really is the Son of God, and the Spirit of God really is the Spirit of God.

So simple and exactly what God's Word keeps telling us.

I pray that your eyes can see and that you come to the understanding of what Satan has done in trying to obscure the truth that Jesus really is God's Son. SOP tells us that Satan hates God's Son and wants us to deny that Jesus really is the literal Son of God. If we do that, Scripture says we have no access to the Father.

Thus there is a lot more to this than meets the eye that most do not stop to think about.

Those who have studied this and found the truth are desperately reaching out to try and save souls. No one should object to that and it is a very sad day when people do.
